

Significant Event Notices

ANZ Staff Superannuation (Australia) Pty Limited, the Trustee of the ANZ Australian Staff Superannuation Scheme is required to inform members about any 'significant events' or 'material changes' to the Scheme, particularly if the event may impact on members' accounts. A notifiable significant event could include changes to the Scheme's fees and charges, its benefit design or investment options. Where possible, significant event notices will be communicated to all members in our regular newsletters. Where appropriate, separate advice (letters or emails) will be sent to affected members. A summary of each significant event change notice issued to members within the past two years is listed in the table below.
