

ANZ Australian Staff Superannuation Scheme

Changing your investment options

You can change how your super is invested in the ANZ Australian Staff Superannuation Scheme. Simply choose from the investment options available to you as shown in your Product Disclosure Statement or other documentation provided in relation to investment choice.

If your choice is incomplete or ambiguous in the opinion of the Trustee, your request will not be actioned. You will be advised if this is the case.

You can use this form to change the investment option(s) for your existing account balance and any future cashflow to your account.

You can also submit your change electronically via the secure section of the Scheme's website www.anzstaffsuper.com – under the 'Your Investments' tab or call ANZ Staff Super on **1800 000 086** to request a change.

You may have accounts in more than one Section of the Scheme if, for example, you have an employee member account in Section A and a Transition to Retirement Account Based Pension in the Account Based Pension Section. **If you have more than one account, you will need to complete a separate Changing your investment options form for each account.**

If you don't know which Section your account is in, log into the secure section of the Scheme's website www.anzstaffsuper.com using your member number and PIN and check in "Your personal details" or call ANZ Staff Super on **1800 000 086**.

If you're unsure of your decision we recommend that you consult a licensed or appropriately authorised financial adviser.
