ANZ Staff Super

Quarterly Super News

September 2026 edition

Hi

In July we invited members to take part in our annual member feedback survey, conducted by our benchmarking provider CSBA. The results are still being collated but I would like to thank everyone who took the time to respond. Your feedback is invaluable and helps us continue to build a better fund for you.

As an ANZ Staff Super member you can access advice about important aspects of your super at no additional cost. We have been particularly pleased to see the number of members using this service double over the past year.

An advice conversation can help answer questions such as:

- Am I in the right investment option?
- Am I on track to have enough for retirement?
- Do I have the right level of insurance cover?
- Are there ways I could boost my super?

You can speak with one of our advisers over the phone, or book a face-to-face appointment in Melbourne or Sydney. Call **1800 000 086** to make an appointment.

We also launched our new **Retirement Hub** this quarter. It brings together articles, webinars, calculators and helpful links in one place, making it easier to understand your options and plan for retirement.

Why your will may not determine who receives your super – and what you can do about it

This time our performance to 30 June is presented by Senior Investment Manager Roland Richen. Head of Investments William Leong will be back in the presenter's chair next issue.

As always, thanks for being a member.
