

Step 2 – Transition to Retirement pension

Do you wish to transition to retirement by continuing your current membership with the ANZ Staff Super and using part of your accumulated superannuation balance to establish this pension account? See the Product Disclosure Statement for details on the Transition to Retirement pension and an explanation of restrictions which may apply to your pension.

- Yes
 No

Step 3 – Preservation status of your super (not applicable for Transition to Retirement pensions)

I declare that I am: (Select one option only)

- No longer in paid employment due to total and permanent disablement (the Trustee will require supporting evidence as to your medical condition of permanent incapacity).
- Over my preservation age (age 55 for those born before 1 July 1960 – refer to page 6 of the Product Disclosure Statement) and I am no longer gainfully employed. I am not intending to rejoin the workforce either full-time or part-time at any time in the future.
- At least 60 years of age and I have ceased gainful employment since turning 60

Step 4 – Make your initial investment (a minimum of \$25,000 is required)

Please note that you must leave a minimum of \$7,500 in your existing ANZ Staff Super account for it to remain open.

- I would like to retain my existing ANZ Staff Super account.

If the amount you've requested to transfer from your ANZ Staff Super account doesn't allow the minimum account balance of \$7,500 to be retained, we will process your transfer so as to retain \$7,500 in your existing account.

I wish to invest the following amount(s):

1. Transfer from my ANZ Staff Super account

2. Transfer from _____

*To roll over a benefit from another superannuation fund, you'll need to complete a Rollover form and send it to ANZ Staff Super. To obtain a Rollover form, refer to anzstaffsuper.com or call ANZ Staff Super on **1800 000 086**.

If you are investing both existing account balances in the ANZ Staff Super and amounts rolled over from another superannuation fund, the rollover amount will need to be received into your existing account, before your account in the Retirement Section can be opened.

Step 5 – Choose your investment options

You can choose one or a combination of the four investment options in any percentage. If you don't make a selection or the total does not add to 100%, your account will be invested in the option(s) that most recently applied for your account balance in the Employee Section, Employee Section C, Personal Section or Partner Section (as appropriate).

I wish to have my initial investment allocated between the following investment options:

Step 5 – Choose your investment options (continued)

You can choose to have your pension payments made from one or more of the investment options you have chosen above for your account balance. For example, if your account is invested 80% Aggressive Growth and 20% Cautious, you could choose to have your payments made from the Cautious option only.

Once there's no longer enough money in your chosen option(s), payments will automatically be deducted from the account balance invested in your other option(s). You'll be notified at the time, and can adjust your investment choice if desired.
